Trend: harmony of lines and materials

Four oval columns support the Trend table's tabletop crafting a visually captivating composition with a refined design. This modern dining table showcases a silhouette formed by a harmonious blend of clean lines and premium materials, merging to create a distinctive and evocative piece of furniture.

A combination of beauty and functionality

Trend is a product of excellence, providing an elegant surface for dining and meetings and a dramatic presence that conquers the heart. The versatility of this table allows it to seamlessly fit into any style, offering the chance to craft an exclusive and inviting space. The tabletop is available in various finishes in standard sizes and customized upon request. Trend is also offered with a square or round top, with the option to include the Lazy Susan rotating tray.
